- Docket No. 2018-358-WS - Verified Application of Carolina Water Service, Incorporated for Approval of Annual Rate Adjustment Mechanisms and Petition for an Accounting Order to Defer Expenses

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. 2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

Two weeks ago Blue Granite announced that those of us living in the Lake Wylie (including the River Hills subdivision where I live) would be placed on water restrictions until further notice. After calling the information line I was informed that this was necessary because of all of the new subdivisions being constructed in the area. Watering the sod/grass for these areas is consuming more water than anticipated. I am unsettled that more advanced planning wasn't in place to take this new growth into consideration as it would apply to water consumption. I see no long range planning in place to alleviate this problem. I understand that Blue Granite will be asking for an increase in water and sewer rates. Will the money for this increase be utilized to address the water shortage in the Lake Wylie area.

Thank you.
